### Legend for Crime Statistics

**OC - On Campus** - Any building or property owned or controlled by a school within the same reasonably contiguous geographic area and used by the school in direct support of or in a manner related to its educational purposes and, property within the same reasonably contiguous area that is owned by the school but controlled by another person, frequently used by students, and supports the school's purposes (such as a food or other retail vendor).

**NCP - Non-Campus Building or Property** - Any building or property owned or controlled by the school, that is not within the same reasonable contiguous area, is used in direct support of or in relation to the school's educational purpose and is frequently used by the students.

**PP - Public Property** - All public property including: thoroughfares, streets, sidewalks, and parking facilities within the same campus or immediately adjacent to and easily accessible from the campus. This would not include, for example, highways that are adjacent to the campus, but that are separated from the campus by a fence or other man-made barrier. A school may use a map to visually illustrate the areas included in the definition of its campus.
